

Mr Waffles

Waffles & Crepes

Waffles are a simple and profitable addition to any business. They are easy to prepare, have low wastage, appeal to multiple age groups and the smell of preparing them entices purchase!

We supply quality Neumarker waffle and crepe equipment. Neumarker has been in business for more than 120 years and is engineered in Germany, ensuring premium quality and reliability. We have a range of models available to suit every business.

Why they Sell

- They taste great
- They appeal to all age groups, from kids through to adults
- Easily identifiable and understood - no need to educate
- Their smell and visual appearance markets them for you!

Simple Implementation In-Store

- Small footprint
- Quick and easy to install and use

Premium Quality

- Engineered and manufactured in Germany
- Designed for high volume commercial sites

Mr Waffles

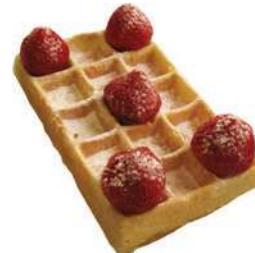

Commercial Waffle Irons

Available in single or double plate models, Neumärker commercial waffle irons are made with heavy cast plates with coating to provide constant heat delivery. They are simple to operate and take up minimal bench space.

Brussels Waffle

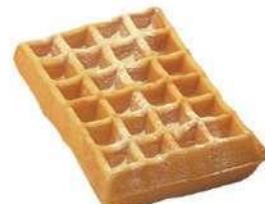

The Traditional Favourite

Mr Waffles

Changeable Waffle Makers

Changeable plate models are also available with any of the plates detailed previously (pages 37-42). The changeable plate models make cleaning of the waffle plates easier as you can remove them from the machine.

It also enables you to have multiple plates in use at different times of the day, for example you could cook a batch of waffle cones in the morning and then replace the plates to enable you to cook waffles to order throughout the remainder of the day.

- Single and double version available
- Built-in digital timer
- High grade stainless steel casing
- Easy to clean with removable plates

Model	Dimensions W x D x H (mm)	Power Input	Power Required	Weight
NEE-12-40701DT	305 x 450 x 320	2.2kW	10 Amp	10kg
NEE-12-40702DT	605 x 450 x 320	4.4kW	2 x 10 Amp	21kg

*Changeable plate machines come with one set of plates. Choose from plates shown on pages 25-30. Additional plates can be ordered.
